Date of birth 18/04/2003

Nationality Pakistani

PERSONAL STATEMENT

Creative and detail-oriented Website Designer and Graphic Designer with a strong foundation in BS Software Engineering. My passion lies in crafting visually stunning and user-centric designs that seamlessly blend aesthetics with functionality. With expertise in tools like Adobe Photoshop, Illustrator, and front-end technologies (HTML, CSS, JavaScript), I specialize in creating responsive websites and engaging graphic content that align with brand identity and business objectives. I am eager to leverage my technical knowledge and design skills to contribute to innovative projects, enhance user experiences, and grow as a professional in the field of web and graphic design.

SKILLS

- My proficiency extends to HTML, CSS, JavaScript, and a wide range of cutting-edge technologies and libraries, and more.
- I've worked with WordPress for content management.
- I excel at turning design concepts into functional applications using Figma and delivering high-quality solutions.

WORK EXPERIENCE

(Aug 2024 - Present) Graphic Designer | Skill Share Hub, Air University Kamra Pakistan).

Technical Skills: Indicate the level at which you use computer-aided design programs (Adobe Photoshop, Illustrator, InDesign, Figma), skills like typography and color theory, and whatever you feel is relevant.

Soft Skills: Mention attributes such as communication, interpersonal skills, time management, or, other, the capacity to learn new things.

(Jan2023 - Present) Teacher and Mentor | Zee Solution Hub, Qutba PAC Kamra).

I teach graphic design, freelance, and other forms of online platform.

(Jan2023 - Present) Edwings D'Angelo Foundation – Website Designing).

I created a website on WordPress and Linked Maps of states of European countries with foundation advertisements in WordPress and HTML.

EDUCATION

(2022-Present)
BACHELOR OF SOFTWARE ENGINEERING (BSSE).
Software Engineering | Virtual University of Pakistan

(2020-2022)
FSC(ICS).
XII (FBISE) | Cantt Public Degree Collage, PAC KAMRA
Scoring 55% Marks, FBISE.

(2018-2020) **MATRIC**
(SCIENCE).
X (FBISE) | Cantt Public Degree Collage, PAC KAMRA
Scoring 52% Marks, FBISE.

PROJECTS

I have built a variety of software projects that demonstrate my skills and experience in the field. Each project showcases my ability to develop, test, and deploy software that meets user needs and solves real-world problems. Through these projects, I have honed my programming skills, and I am constantly learning and exploring new technologies to improve my craft. I am passionate about using technology to create meaningful solutions, and I am excited to continue building innovative software projects in the future.
