[ubaidullah8042003@gmail.com](mailto:ubaidullah8042003@gmail.com)

Phone No +923184841979

Date of birth 18/04/2003

Nationality Pakistani

## PERSONAL STATEMENT

Innovative Software Engineer and Full-Stack Developer with a strong focus on mobile and web applications. Experienced in React Native and .NET, with a creative background in Graphic Design. Proven track record of delivering live, high-performance applications on the Play Store and App Store. I am passionate about building user-centric digital solutions that bridge the gap between aesthetic design and functional technology.

## SKILLS

- **Mobile/Web:** React Native, React.js, JavaScript, HTML5, CSS3.
- **Backend/DB:** .NET Framework, C#, SQL, Deployment & DevOps.
- **Design Tools:** Figma, Adobe Photoshop, Illustrator, InDesign, MS Office

## WORK EXPERIENCE

**Lead Mobile Developer | MaskanhApp** (*Live on Google Play Store & Apple App Store*)

\* App Link: [Google Play Store](#) or [App Store](#)

- Architected and developed a full-scale real estate solution for iOS and Android.
- Managed the end-to-end deployment process for both major app stores.
- Implemented secure user authentication and interactive property search features.

**Full-Stack Developer | Mairaj360 & Maskanh.com** (*React Native & Web Development*)

\* Website Link: [maskanh.com](#)

- Developed the **Mairaj360** application using **React Native**, focusing on cross-platform efficiency and high-speed performance.
- Designed and maintained the official web portal at **maskanh.com**, ensuring full responsiveness and integration with mobile services.
- Optimized backend database interactions for real-time data synchronization.

**Graphic Designer | Skill Share Hub, Air University Kamra** (Aug 2024 – Present)

- Utilize Adobe Photoshop, Illustrator, and Figma to create professional branding, typography, and UI/UX layouts.

**Website Designer | Edwings D'Angelo Foundation** (Jan 2023 – Present)

- Created a customized WordPress platform and integrated interactive European mapping systems using advanced HTML/CSS.

## EDUCATION

(2022-Present)

**BACHELOR OF SOFTWARE ENGINEERING (BSSE).**

Software Engineering | Virtual University of Pakistan

(2020-2022)

**FSC(ICS).**

XII (FBISE) | Cantt Public Degree Collage, PAC  
KAMRA.

(2018-2020) MATRIC

**(SCIENCE).**

X (FBISE) | Cantt Public Degree Collage, PAC  
KAMRA.

## PROJECTS

I have built a variety of software projects that demonstrate my skills and experience in the field. Each project showcases my ability to develop, test, and deploy software that meets user needs and solves real-world problems. Through these projects, I have honed my programming skills, and I am constantly learning and exploring new technologies to improve my craft. I am passionate about using technology to create meaningful solutions, and I am excited to continue building innovative software projects in the future.
